Abstract
The past decade (1990s) in Ireland has witnessed numerous high profile child abuse scandals, some involving members of the clergy and others occurring in institutions for children in care. A problem that was once seldom or never discussed is now very much in the public arena. The End of Innocence describes the background to the scandals uncovered during the 1990s and the reactions to them, and then provides a thorough understanding of all the issues surrounding child sexual abuse. Leading practitioners discuss the legal and policy issues involved, as well as the therapy available for both victims and perpetrators of child sexual abuse. The book concludes that Irish society’s "innocence" may be gone but there is now an opportunity to ensure that children will be better protected and treated in the future. As Owen Keenan states in the concluding chapter "It is not optimism that will make the difference. Rather it is passion, commitment and dedication. Many of the basic requirements are now in place and there has never been a better opportunity in the history of the State. So one is bound to ask, if not now, when?"

Nothing he quoted pertained to child sexual abuse nor Satanic media. Perhaps he should have read Jesus’ words here and see what the Son of God thinks vs. the "faithful slave": Matthew 18:6 (ESV) but whoever causes one of these little ones who believe in me to sin, it would be better for him to have a great millstone fastened around his neck and to be drowned in the depth of the sea. I find it interesting that if the news media report on child abuse in the Catholic church or other churches, its proof that god is punishing them for their wicked ways. When its jws its just Satan using the news media to slander gods org. Teddy Rattlesnake2 dias atrás. What disgusted me is when he says toward the end, about apostates, "...they undermine what we worked so hard to learn..." A child abuse story that will stay with you forever and one that you will talk about for many years to come, The Girl Nobody Wants is a harrowing true story that will appeal to fans of biographies. ...more. Get A Copy. Kindle Store. Do not read this hoping or expecting a happy ending. Do not be disappointed or upset for an unabashed perspective of reality for many children and many girls and young women in this world. Despite being so grim, this is a story that needs to be heard. ...more. This quote was in relation to her first sexual abuse by her sister's boyfriend "it looked like he had it all set up in advance and had planned the whole thing, then he told me not to tell anyone about our little secret." I mean, really? A three year old?
